GUIDANCE AND COUNSELING

Mrs Divya Bhasin and Mrs Vidushi conducted a workshop for class 6 boys and girls counselling session separately on Adolescence and the changes occur during puberty.

Total 220 students participated in this workshop. The topic was introduced by showing the different stages of Humans. A short movie "Acid" on menstrual cycle was shown to the children. A game was played where different activities were classified into different age groups. Students were very curious and enthusiastic about these topics. A healthy discussion was done on these sensitive topics
